Why Dell?

Product Selection: Select from thousands of products including Dell-branded products as well as other major brands.

Value: We work with our suppliers to get great prices and pass the savings on to you.

Quality & Reliability: You can count on Dell to bring you the quality and reliability you've come to expect from Dell products.

Dell | State and Local Government

¹Between 32 and 64MB of system memory may be allocated to support graphics, depending on system memory size and other factors. ²Based on ANSI/NAPM IT7.228-1997 tests of 73 units, September 2003, with average ANSI Lumens 1118. Bulb brightness degrades with usage. Dell recommends replacing your bulb after 2000 hours of usage.
